

Why Purchase Travel Insurance?

Travel insurance helps protect you and the investment made in your vacation or business trip. Because whether you are at home or on vacation, life happens – and that can affect your travel plans.

- You or your child may get sick and you have to cancel your trip.
- The airlines may lose your luggage en route to your destination.
- You may miss your flight connection and lose days on your trip.
- You could be in a foreign country and need emergency medical attention.

A good travel insurance plan provides coverage for all of these situations and more – any time you go 100+ miles from home.
